NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

TO: ALL PERSONS WHO PURCHASED THE COMMON STOCK OF CENTRAL EUROPEAN DISTRIBUTION CORP. ("CEDC" OR THE "COMPANY") BETWEEN MARCH 1, 2010 AND FEBRUARY 28, 2011, INCLUSIVE (THE "CLASS PERIOD")

PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. YOUR RIGHTS MAY BE AFFECTED BY PROCEEDINGS IN THIS ACTION. PLEASE NOTE THAT IF YOU ARE A CLASS MEMBER, YOU MAY BE ENTITLED TO SHARE IN THE PROCEEDS OF THE SETTLEMENT DESCRIBED IN THIS NOTICE. TO CLAIM YOUR SHARE OF THIS FUND, YOU MUST SUBMIT A VALID PROOF OF CLAIM AND RELEASE FORM POSTMARKED ON OR BEFORE DECEMBER 15, 2014.

This Notice has been sent to you pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the District of New Jersey (the "Court") and concerns a proposed settlement (the "Settlement") in *In re Central European Distribution Corporation Securities Litigation*, No. 1:11-cv-06247-JBS-KMW (the "Action"). The purpose of this Notice is to inform you of the proposed Settlement of the Action and of the hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement. The Settlement resolves the claims asserted against Defendant William V. Carey. This Notice describes the rights you may have in connection with the Settlement and what steps you may take in relation to the Settlement and Action.

A hearing (the "Settlement Hearing") will be held on November 14, 2014, at 10:00 a.m., before the Honorable Jerome B. Simandle, Chief United States District Judge, at the Mitchell H. Cohen Building & United States Courthouse, Courtroom 4A, 400 Cooper Street, Camden, NJ 08101. At this time, the Court will consider the Settlement in the Action. The purpose of the Settlement Hearing will be to determine: (1) whether the Settlement consisting of One Million One Hundred and Fifty Thousand Dollars (\$1,150,000.00) in cash plus accrued interest on the Settlement Fund should be approved as fair, reasonable, and adequate to the Class; (2) whether the proposed plan to distribute the Settlement proceeds (the "Plan of Distribution") is fair, reasonable, and adequate; (3) whether the application by Lead Counsel for an award of attorneys' fees and expenses should be approved; and (4) whether the Action should be dismissed with prejudice.

The Court may adjourn or continue the Settlement Hearing without further notice to the Class.

I. THE SETTLEMENT

The proposed Settlement creates a fund in the amount of One Million One Hundred and Fifty Thousand Dollars (\$1,150,000.00) (the "Settlement Amount") in cash and will include interest that accrues on the fund prior to distribution. Based on the information currently available to Lead Plaintiffs and the analysis performed by their damage consultant, it is estimated that if Class Members submit claims for 100% of the shares eligible for distribution, the estimated average distribution per share will be approximately \$0.05 before deduction of Court-approved fees and expenses. Historically, actual claims rates are less than 100%, which result in higher distributions per share. Your actual recovery from this fund will depend on a number of variables, including the number of claimants, the number of CEDC shares you and they purchased, the number of CEDC shares you and they sold, the timing of your purchases and sales, if any, the cost of sending this Notice and administering the distribution of the settlement proceeds, and Court-awarded expenses, such as attorneys' fees and expenses (see the Plan of Distribution below for a more detailed description of how the settlement proceeds will be allocated among Class Members).

The Individual Defendants have denied and continue to deny specifically each and all of the claims and contentions alleged in the Action. The issues on which the parties disagree include: (1) whether the statements made or facts allegedly omitted were false, material, or otherwise actionable under the federal securities laws; (2) the extent to which the various matters that Lead Plaintiffs alleged were materially false or misleading influenced (if at all) the trading price of CEDC shares at various times during the Class Period; (3) the extent to which the various allegedly adverse material facts that Lead Plaintiffs alleged were omitted influenced (if at all) the trading price of CEDC shares at various times during the Class

Period; (4) the extent to which external factors, such as general market conditions, influenced the trading prices of CEDC shares at various times during the Class Period; (5) the effect of various market forces influencing the trading price of CEDC shares at various times during the Class Period; (6) the amount by which CEDC shares were allegedly artificially inflated (if at all) during the Class Period; and (7) the appropriate economic model for determining the amount by which CEDC shares were allegedly artificially inflated (if at all) during the Class Period. Lead Plaintiffs and the Individual Defendants do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiffs had prevailed on each claim asserted. The Individual Defendants deny that they have violated the federal securities laws or any laws.

Lead Plaintiffs believe that the proposed Settlement is a good recovery and is in the best interests of the Class. There were significant risks associated with Mr. Carey's pending motion to dismiss and proceeding to summary judgment and trial, and if Mr. Carey prevailed at any of those stages, the Class would receive nothing. In addition, the amount of damages recoverable by the Class was and is challenged by Mr. Carey. Recoverable damages in this case are limited to losses caused by conduct actionable under applicable law and, had the Action gone to trial, Mr. Carey intended to assert that all of the losses of Class Members were caused by non-actionable market, industry, or general economic factors. Mr. Carey would also assert that throughout the Class Period, the uncertainties and risks associated with CEDC's business and financial condition were fully and adequately disclosed. Finally, because CEDC declared bankruptcy while the Action was pending, its ability to contribute to a settlement was limited, as were applicable insurance policies.

Lead Counsel have not received any payment for their services in conducting this Action on behalf of Lead Plaintiffs and the members of the Class, nor have they been paid for their expenses. If the Settlement is approved by the Court, Lead Counsel will apply to the Court for attorneys' fees of up to 30% of the settlement proceeds plus expenses not to exceed \$100,000, plus interest on both amounts, all to be paid from the Settlement Fund. If the amount requested by counsel is approved by the Court, the average cost per share would be approximately \$0.02.

This Notice is not an expression of any opinion by the Court about the merits of any of the claims or defenses asserted by any party in this Action or the fairness or adequacy of the proposed Settlement.

For further information regarding this Settlement you may contact Daniel S. Sommers, Cohen Milstein Sellers & Toll PLLC, 1100 New York Avenue N.W., Suite 500 West, Washington, DC 20005. Please do not call any representative of the Defendants or the Court.

Central European Distribution Corp., et al.*, No. 1:12-cv-05531-JBS-KMW, pending in the United States District Court for the District of New Jersey, nor shall this provision impede the right of any Class Member to participate in any recovery in that action.

With respect to any and all Released Claims, the Settling Parties stipulate and agree that, upon the Effective Date, Lead Plaintiffs shall

expressly and each of the Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived to the fullest extent permitted by law the provisions, rights, and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Lead Plaintiffs shall expressly and each of the Class Members shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542. Lead Plaintiffs and Class Members acknowledge that they may hereafter discover facts, legal theories, or authorities in addition to or different from those which he, she or it now knows or believes to be true with respect to the subject matter of the Released Claims, but Lead Plaintiffs intend to and shall expressly, and each Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, reckless, intentional, with or without malice, or a breach of any duty, law, or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. Lead Plaintiffs acknowledge, and the Class Members shall be deemed by operation of the Judgment to have acknowledged, that the inclusion of "Unknown Claims" in the definition of Released Claims was separately bargained for and a material element of the Settlement of which this release is a part.

B. History of the Action

On October 24, 2011, the Steamfitters Local 449 Pension Fund filed a class action complaint against Mr. Carey, Christopher Biedermann, and Central European Distribution Corp. in the United States District Court for the District of New Jersey, alleging violations of the federal securities laws. On November 15, 2011, Tim Schuler filed a class action complaint in the same Court asserting similar claims. On August 22, 2012, the Court consolidated the two cases and appointed Arkansas Public Employees Retirement System and Fresno County Employees' Retirement Association as Lead Plaintiffs and Cohen Milstein Sellers & Toll PLLC as Lead Counsel. On February 19, 2013, Lead Plaintiffs filed an amended complaint (the "Amended Complaint") against Mr. Carey and the Company. On April 7, 2013, CEDC filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware. As a result, the Action was stayed as to CEDC but continued against Mr. Carey. The Amended Complaint asserts claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 (15 U.S.C. § 78j(b) and 78t(a)) and Rule 10b-5 promulgated thereunder (17 C.F.R. § 240.10b-5).

On April 22, 2013, Mr. Carey moved to dismiss the Amended Complaint. Lead Plaintiffs opposed the motion.

On October 14, 2013, the Settling Parties attended a mediation session with the Honorable Daniel Weinstein (Ret.), and although no agreement was reached, the parties continued their negotiations with the assistance of the mediator. As a result of those further discussions led by the mediator, on December 6, 2013, the Settling Parties reached an agreement-in-principle to resolve the Action. The Court terminated the pending motion to dismiss pending execution of formal settlement papers and judicial approval of the Settlement.

C. Claims of Lead Plaintiffs and Benefits of Settlement

Lead Plaintiffs and Lead Counsel believe that the claims asserted in the Action have merit. However, Lead Plaintiffs and Lead Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Action against Mr. Carey through trial and appeal. Lead Plaintiffs and Lead Counsel also have taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as this Action, as well as the risks posed by the difficulties and delays inherent in such litigation. Lead Plaintiffs and Lead Counsel also are aware of the defenses to the securities law violations asserted in the Action. Lead Plaintiffs and Lead Counsel believe that the Settlement set forth in the Settlement Agreement confers substantial benefits upon the Class in light of the circumstances present here. Based on their evaluation, Lead Plaintiffs and Lead Counsel have determined that the Settlement set forth in the Settlement Agreement is in the best interests of Lead Plaintiffs and the Class.

D. The Individual Defendants' Denial of Wrongdoing and Liability

The Individual Defendants have denied and continue to deny that they have violated the federal securities laws or any laws or have otherwise misled investors as alleged in the Action. The Individual Defendants have denied and continue to deny specifically each and all of the claims and contentions alleged in the Action, along with all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Action. The Individual Defendants also have denied and continue to deny, *inter alia*, the allegations that any of the Individual Defendants made any material misstatements or omissions; that any member of the Class has suffered damages; that the prices of CEDC common stock were artificially inflated by reason of the alleged misrepresentations, omissions, or otherwise; that the members of the Class were harmed by the conduct alleged in the Action; or that the

Individual Defendants knew about or were reckless with respect to the alleged misconduct. In addition, the Individual Defendants maintain that they have meritorious defenses to all claims alleged in the Action.

Nonetheless, taking into account the uncertainty, risks, and costs inherent in any litigation, especially in complex cases such as this Action, the Individual Defendants have concluded that further conduct of the Action could be protracted, burdensome, expensive, and distracting. The Individual Defendants have, therefore, determined that it is desirable and beneficial to them that the Action be settled in the manner and upon the terms and conditions set forth in the Settlement Agreement. The Settlement Agreement shall in no event be construed as or deemed to be evidence of an admission or concession by the Individual Defendants or the Released Persons with respect to any claim of any fault or liability or wrongdoing or damage whatsoever.

E. Terms of the Proposed Settlement

Mr. Carey shall cause the Company to deposit the Settlement Amount (One Million One Hundred and Fifty Thousand Dollars (\$1,150,000.00)) into the Escrow Account within twenty (20) business days from the later of (i) entry of an Order preliminarily approving the Settlement or (ii) receipt by the Company of appropriate and necessary payee information from Lead Counsel, including but not limited to, wiring instructions, payment address, and a complete, accurate, and signed W-9 form for the Settlement Fund that reflects a valid taxpayer identification number. The principal amount of One Million One Hundred and Fifty Thousand Dollars (\$1,150,000.00), plus any accrued interest, constitutes the Settlement Fund. A portion of the settlement proceeds will be used for certain administrative expenses, including the costs of printing and mailing this Notice, the cost of publishing a newspaper notice, payment of any taxes assessed against the Settlement Fund, and costs associated with the processing of claims submitted. In addition, as explained below, a portion of the Settlement Fund may be awarded by the Court to Lead Counsel as attorneys' fees and for expenses in litigating the case. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed according to the Plan of Distribution described below to Class Members who submit valid and timely Proof of Claim and Release forms.

F. Plan of Distribution

Only CEDC shares purchased on exchanges in the United States on or between March 1, 2010 and February 28, 2011 are eligible for damages. The total net number of CEDC common shares damaged is estimated to be approximately 24.8 million shares. Given the total Settlement of \$1,150,000, the average gross recovery per share is estimated to be approximately \$0.05 per damaged share. Assuming fees and expenses, the expected average net recovery per share will be approximately \$0.03 per damaged share.

The total of all profits shall be subtracted from the total of all losses from transactions involving CEDC common shares purchased or acquired during the Class Period to determine if a Class Member has a claim. Only if a Class Member had a net loss from the CEDC common shares purchased or acquired during the Class Period, will such Class Member be eligible to receive a distribution from the Net Settlement Fund. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

For Class Members who held CEDC common shares at the beginning of the Class Period or made multiple purchases or sales during the Class Period, the first-in, first-out ("FIFO") method will be applied to such holdings, purchases, and sales for purposes of calculating a claim. Under the FIFO method, sales of CEDC common shares during the Class Period will be matched in chronological order, first against common shares held at the beginning of the Class Period. The remaining sales of CEDC common shares during the Class Period will then be matched, in chronological order, against CEDC common shares purchased during the Class Period.

For shares of common stock purchased or otherwise acquired between March 1, 2010 and February 28, 2011:

1. For shares held at the end of trading on May 27, 2011, the loss assigned to your claim (your "Recognized Loss") shall be that number of shares multiplied by the lesser of:
 - (a) \$8.17; or
 - (b) the difference between the purchase price per share and \$11.66.¹
2. For shares sold between March 1, 2010 and February 28, 2011, the Recognized Loss shall be zero.

¹ Pursuant to Section 21(D)(e)(1) of the Private Securities Litigation Reform Act of 1995 ("PSLRA"), "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated." The mean (average) closing price of CEDC common stock during the 90-day period beginning on March 1, 2011 and ending on May 27, 2011 was \$11.66.

3. For shares sold between March 1, 2011 and May 27, 2011, the Recognized Loss shall be the lesser of:
- (a) \$8.17; or
 - (b) the difference between the purchase price per share and the sales price per share; or
 - (c) the difference between the purchase price per share and the average closing price between March 1, 2011 and the date of sale²

II. PARTICIPATION IN THE CLASS

If you fall within the definition of the Class, you are a Class Member unless you elect to be excluded from the Class pursuant to this Notice. If you do not request to be excluded from the Class, you will be bound by any judgment entered with respect to the Settlement in the litigation against Mr. Carey whether or not you file a Proof of Claim and Release form.

If you are a Class Member, you need do nothing (other than timely file a Proof of Claim and Release form if you wish to participate in the distribution of the Net Settlement Fund). Your interests will be represented by Lead Counsel. If you choose, you may enter an appearance individually or through your own counsel at your own expense.

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY COMPLETE AND RETURN THE PROOF OF CLAIM AND RELEASE FORM THAT ACCOMPANIES THIS NOTICE. The Proof of Claim and Release form must be postmarked on or before December 15, 2014, and be delivered to the Claims Administrator at the address below. Unless the Court orders otherwise, if you do not timely submit a valid Proof of Claim and Release form, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the provisions of the Settlement Agreement and the final Judgment. The Proof of Claim for this Settlement is the same as the Proof of Claim for the consolidated action *Grodko v. Central European Distribution Corp., et al.*, No. 1:12-cv-05530-JBS-KMW; *Puerto Rico System of Annuities and Pensions for Teachers v. Central European Distribution Corp., et al.*, No. 1:12-cv-05531-JBS-KMW. You only need to complete the Proof of Claim once.

III. EXCLUSION FROM THE CLASS

You may request to be excluded from the Class. To do so, you must mail a written request stating that you “wish to be excluded from the Class in *In re Central European Distribution Corporation Securities Litigation*, No. 1:11-cv-06247-JBS-KMW” to:

CEDC Securities Litigation
EXCLUSIONS
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 990
Corte Madera, CA 94976-0990

The request for exclusion must state: (1) your name, address, and telephone number; and (2) all purchases and sales of CEDC shares made during the Class Period, including the dates and prices of each purchase or sale, and the number of shares purchased or sold. **YOUR EXCLUSION REQUEST MUST BE POSTMARKED ON OR BEFORE OCTOBER 20, 2014.** If you submit a valid and timely request for exclusion, you shall have no rights under the Settlement, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Settlement Agreement or the Judgment.

² Pursuant to Section 21(D)(e)(2) of the PSLRA, “in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, if the plaintiff sells or repurchases the subject security prior to the expiration of the 90-day period described in paragraph (1), the plaintiff’s damages shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the security and the mean trading price of the security during the period beginning immediately after dissemination of information correcting the misstatement or omission and ending on the date on which the plaintiff sells or repurchases the security.”

IV. DISMISSAL AND RELEASES

If the proposed Settlement is approved, the Court will enter a final Judgment. The Judgment will dismiss the Released Claims as to the Released Persons with prejudice as provided in the Settlement Agreement.

The Judgment will provide that all Class Members who have not validly and timely requested to be excluded from the Class shall be deemed to have released and forever discharged all Released Claims (to the extent members of the Class have such claims) against all Released Persons as provided in the Settlement Agreement.

V. APPLICATION FOR ATTORNEYS' FEES AND EXPENSES

At the Settlement Hearing, Lead Counsel will request that the Court award attorneys' fees of up to 30% of the Settlement Fund, plus expenses not to exceed \$100,000, plus interest thereon. Class Members are not personally liable for any such fees, expenses, or compensation.

To date, Lead Counsel have not received any payment for their services in conducting this Action on behalf of Lead Plaintiffs and the members of the Class, nor have counsel been reimbursed for their expenses. The fee requested by Lead Counsel would compensate counsel for their efforts in achieving the Settlement Fund for the benefit of the Class, and for their risk in undertaking this representation on a contingency basis. The fee requested is within the range of fees awarded to plaintiffs' counsel under similar circumstances in litigation of this type.

VI. CONDITIONS FOR SETTLEMENT

The Settlement is conditioned upon the occurrence of certain events described in the Settlement Agreement. Those events include, among other things: (1) entry of the Judgment by the Court, as provided for in the Settlement Agreement; and (2) expiration of the time to appeal from or alter or amend the Judgment. Pending the Court's consideration of this Settlement, the Court has stayed all proceedings, and Class Members are precluded from bringing or pursuing any litigation that seeks to prosecute the Released Claims.

If, for any reason, any one of the conditions described in the Settlement Agreement is not met, the Settlement Agreement might be terminated and, if terminated, will become null and void, and the Settling Parties to the Settlement Agreement will be restored to their respective positions as of immediately prior to October 14, 2013.

VII. THE RIGHT TO BE HEARD AT THE SETTLEMENT HEARING

Any Class Member who has not validly and timely requested to be excluded from the Class, and who objects to any aspect of the Settlement, the Plan of Distribution, or the application for attorneys' fees and expenses or Lead Plaintiffs' expenses may appear and be heard at the Settlement Hearing.³ Any such Person must submit and serve a written notice of objection, to be received on or before October 20, 2014, by each of the following:

Only Class Members who have submitted written notices of objection in this manner will be entitled to be heard at the Settlement Hearing, unless the Court orders otherwise.

³ Lead Counsel's pleadings in support of these matters will be filed with the Court on or before September 30, 2014.
